City Open University (CoU)

Annual Ethics & Compliance Report (Institution-Wide)

Reporting Year: 2026 (Template / Placeholder)

Contents (Preview)

- 1. Executive Summary (ethics posture, digital governance, key improvements)
- 2. Approval Volumes (REC decisions by review type: Exempt / Expedited / Full)
- 3. Turnaround Times (SLA performance, bottlenecks, process upgrades)
- 4. Emerging Risks (AI, cross-border data flows, vulnerable populations, dual-use)
- 5. Improvements Made (templates, training, audits, OpenPlus integration)
- 6. Next-Year Priorities (capacity, tooling, quality assurance, transparency)
- 7. Appendix: Policies, templates, and contact points

Key Indicators (Sample placeholders)

- Total protocols reviewed: _____ | Exempt: _____   Expedited: _____   Full: _____
- Median turnaround (business days): _____ | SLA target: 10 | SLA met: _____%
- Mandatory training completion rate: _____% | Audit readiness: _____
- Reported concerns resolved: _____ | Non-retaliation assurances: Active

Note: Replace placeholders with real institutional metrics once your OpenPlus workflows and reporting are connected.

Section Scaffold (Fill-in)

Use this page to write the narrative sections and attach charts/tables exported from the dashboard.

Executive Summary

Approvals & Turnaround Analysis

Emerging Risks & Mitigations

Tip: Export charts from the Ethics Dashboard snapshot tool and paste them into your final report.

Improvements & Next-Year Priorities
