City Open University (CoU) — Next Generations Program Blueprint

Generated: 2026-01-23 | Placeholder document for CoU website demo

Summary

• How Next Generations integrates into CoU programs (certificate → doctorate).

• Curriculum-to-research mapping: outcomes, projects, outputs, and assessment.

• Recommended modules: AI literacy, data skills, innovation methods, ethics & impact.

• Implementation checklist and quality gates.

Note: Replace this placeholder PDF with the official CoU document when available.
