

Annual State of Researcher Well-Being at CoU

Public-facing template (placeholder) for the institution-wide annual report.

- Headline indicators: RWBI score (institution), climate pulse trends, and service uptake.
- Improvements made: policy updates, new supports, and digital tools deployed.
- What we learned: anonymized themes from feedback and peer circles.
- What's next: commitments for the coming year and timeline of deliveries.
- Methods note: privacy approach, aggregation rules, and limitations.
